A dense grid of binary code representing the first 30 seconds of Beethoven's 5th Symphony. The grid consists of 16 columns and 30 rows of binary digits (0s and 1s). The columns are labeled at the top with the numbers 10, 20, and 30. The rows are labeled on the left with the numbers 240, 250, 260, 270, and 280. The binary code is arranged in a specific pattern that corresponds to the musical notes and rests in the score. The '1' symbol represents a note or rest, while the '0' symbol represents silence. The grid is set against a white background with black text.
